Why exhibit at **WorkBoat Show 2021?**

WorkBoat Show has been connecting qualified buyers with leading suppliers for more than 70 years. WorkBoat delivers high quality information to all segments of the marine industry in North America.

Hear what your customers need in real time, make genuine connections, showcase your latest products and services, and get meaningful feedback from purchasers and end users alike.

This year NME will arrange a **Team Norway Meet and Greet area** for Norwegian companies. We will be located together with Marine Technologies Inc., which is a veteran at the show. As an exhibitor you will be located in an open lounge area together with the other participants. All exhibitors will be listed in the event directory. Innovation Norway will host a networking event and seminar during the trade show. All attendees in the Team Norway Meet and Greet area are welcome to attend and will receive separate invitations to these events.

Meet and Greet package:

NME members: NOK 35,000.-
