Apply for grants to participate in trade fairs

Sea Asia 2025 has been preapproved under the Norwegian government's export support scheme. This means that companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum NOK 70.000.-. Remember that you must apply before you have incurred expenses on the stand at the fair. See Innovation Norway's website for the scheme for more detailed information and a link to the application form (Norwegian only) here:

Why exhibit at Sea Asia?

Sea Asia is the leading maritime forum in Southeast Asia and has been hosted in Singapore for 20 years. Next year the fair will be arranged during the Singapore Maritime Week to give a better outcome for the industry by congregating the global industry within the same week.

After a record setting 2023 edition, the 2025 event is poised to sell out and attract an even larger audience of 20,000 participants from 90+ countries alongside 10 national pavilions and 500+ exhibitors.

Team Norway will also this time cooperate with the Danish pavilion and have a common lounge area serving lunch to our exhibitors every day. In addition, Innovation Norway's Singapore office will provide operational assistance with the pavilion.

The Team Norway and Denmark pavilions have an excellent location next to Singapore's own pavilion - as shown on the hall map above.
