

MARITIME HYBRID, ELECTRIC & HYDROGEN FUEL CELLS CONFERENCE

29-31 October 2024 • Bergen

DELIVERING ENERGY EFFICIENCY, EMISSIONS REDUCTION AND SUSTAINABILITY

Dear Norwegian Maritime Exporters member,

We are delighted to be returning to Bergen on the 29-31 October, and look forward to meeting many Norwegian Maritime Exporters members at the conference.

As you have come to expect, [Maritime Hybrid, Electric & Hydrogen Fuel Cells Conference](#) will bring together leading vessel owners, energy companies, port authorities, regulators, class, technology and battery manufacturers from across the globe.

Through Norwegian Maritime Exporters's continued support, it's a pleasure to extend a **20% discount** to members. Simply enter promo code **MHEEB24NME** when purchasing your ticket.

As the programme delivers analysis of technology and regulatory developments, the many networking opportunities are your unmissable opportunity to meaningfully reconnect with industry peers and drive your interests forward in a dedicated, relaxed environment. Read on for a closer look at the agenda...
