Why exhibit at INMEX SMM India in 2025?

INMEX SMM India is South Asia's largest maritime exhibition and conference. It unites the global maritime industry, offering networking, knowledge sharing, and business opportunities. Both global and Indian companies showcase innovations in shipbuilding, ship equipment, offshore and port technologies, maritime security, and green technologies at this trade fair.

The **Team Norway pavilion** has an excellent location in Hall 6. The pavilion will be branded under the official Norway profile. In addition, we provide room for individual profiling of each company stand. We will strengthen our collaboration with the pavilion of Denmark and have a joint lounge area with them.

Apply for grants for participation at trade fairs
INMEX SMM India has been preapproved under the Norwegian government's export support scheme. This means that companies exhibiting in our Team Norway pavilion can apply to have up to 50% of their costs covered, at a maximum of NOK 70.000. Remember that you must apply before you have incurred expenses on the stand at the fair. See Innovation Norway's website for the scheme for more detailed information and link to the application form (Norwegian only) here: [Export promotion grant](#)
