Why exhibit at WorkBoat Show?

WorkBoat Show is a trade only conference and expo for commercial vessel owners, operators and the vendors and suppliers that serve them. The exhibition has been connecting qualified buyers with leading suppliers for more than 70 years. WorkBoat delivers high quality information to all segments of the marine industry in North America. Among the visitors you find fleet owners, independent vessel owners, boat builders and engineers.

Hear what your customers need in real time, make genuine connections, showcase your latest products and services, and get meaningful feedback from purchasers and end users alike.

WorkBoat Show is continuing to grow, bringing together more exhibitors and visitors each year.

The **Team Norway Pavilion** is located at booth 1543.

The pavilion will leave room for both traditional booths and Meet and Greet booths. The pavilion will be branded under the official **Norway-profile**, with room for **individual profiling** of each stand.
